Big plans are being made now for the _____ annual Taste of Scotland Festival & Highland Games. We have moved to the Macon County Fairgrounds because the festival is growing & will have new and exciting events! Friday evening we will have a downtown parade with a pipe & drum band marching us to the Ceilidh. On Saturday, Scot Medlin will be hosting the Registered Heavy Athletics, pipe and drum bands will march at the opening parade & play throughout the day. There will also be arts & crafts vendors along with foods & activities.

In order to finance this festival, we need sponsorship funds. Your tax deductible donation (*TOSS is a 501(C)(3) entity*) would be greatly appreciated. TOSS is offering sponsorship gifts for your generous donations.
